DID YOU KNOW?

Germany's cuckoo clock tradition started in the Black Forest in the 1700s. These hand-carved timepieces featured a wooden bird that popped out to call the hour. Over time, the cuckoo clock became a beloved symbol of German craftsmanship, standing proudly with Bavaria's pretzels, sausages, and beer. Still today, cuckoo clocks are treasured keepsakes that mix history, artistry, and a little bit of fun.

WINE WISDOM

Wein auf Bier, das rat' ich dir. Bier auf Wein, das
lass' sein.

*(Wine after beer, have no fear. Beer after wine,
that's not fine.)*

Alter Wein und junge Frauen sind die besten Freun-
de der Männer.

*(Old wine and young women are a man's best
friends.)*

Did you know? Germany's winemaking dates back
to 817 AD — and it's world-famous today for Ries-
ling wines.
